Message from the Directors

WELCOME TO THE 32ND ANNUAL DOYLESTOWN ARTS FESTIVAL

The Doylestown Arts Festival is a cherished tradition of our community and our small town. Each year since 1991, a collective of local residents, business owners, creatives and artisans, local government officials, and every day people have come together to put on this continuously growing celebration of art and culture. Made possible by volunteers, made incredible by the community around us. It is through amazing displays of neighborly goodness like this that our town thrives, and art and culture continue to remain a keystone here in Bucks County. Whether you're a local, a regular visitor, or discovering us for the first time, we welcome you to one of our favorite weekends of the year!

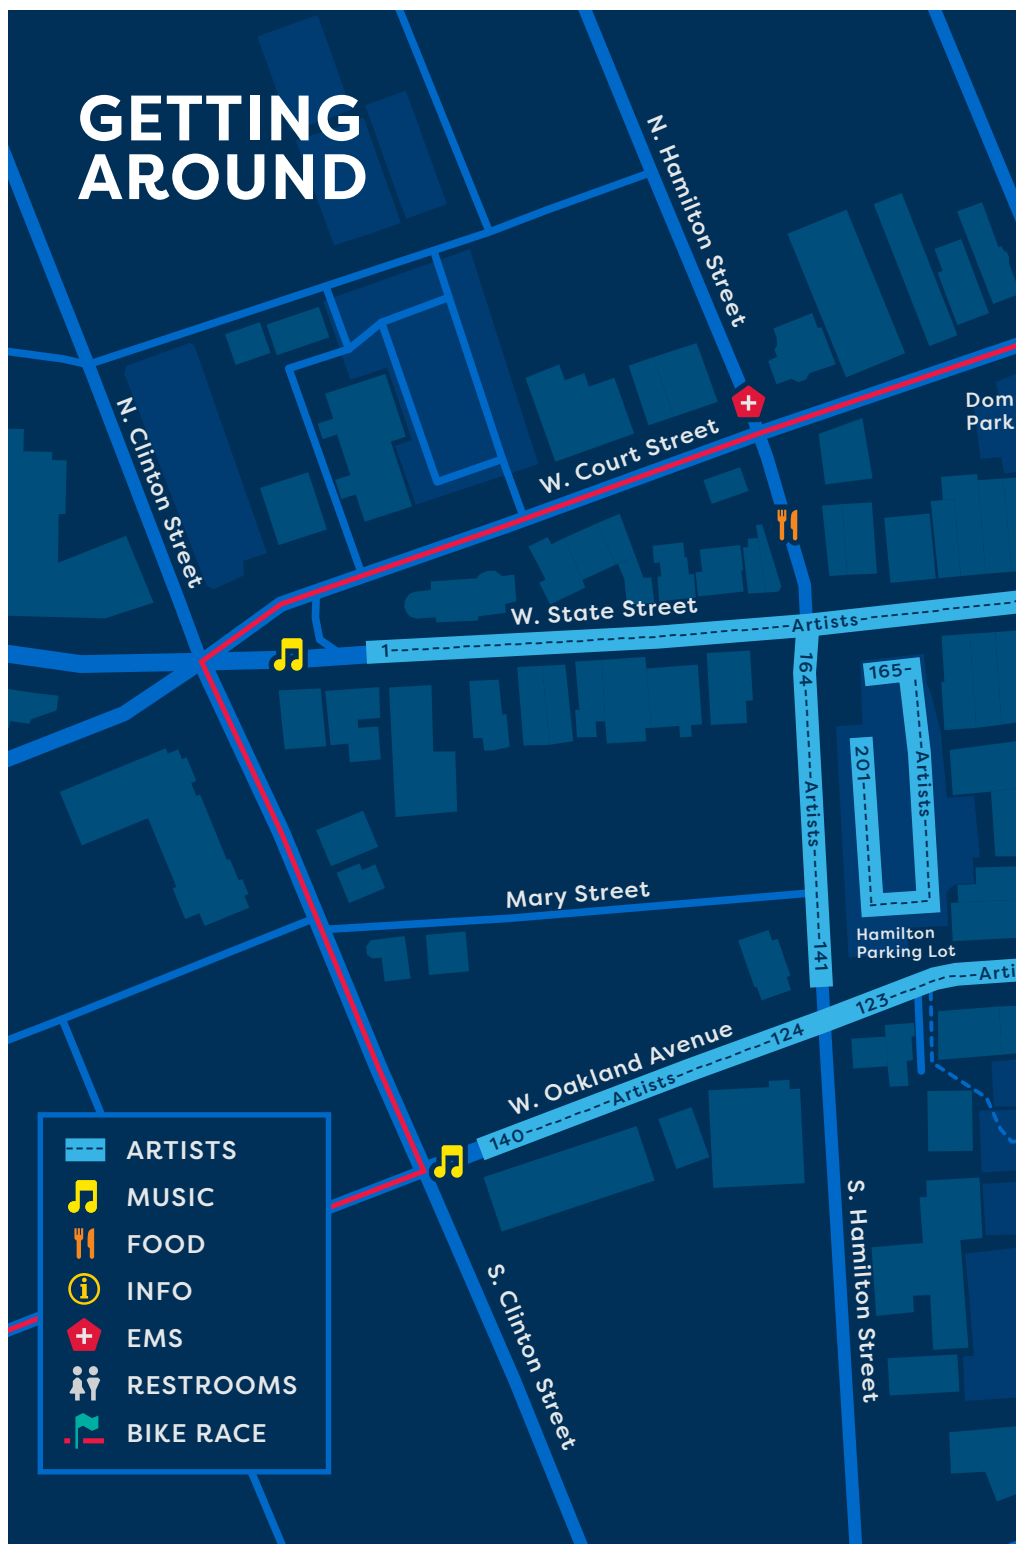

The Doylestown Arts Festival illuminates not only the inspirational source of creativity that resides here and in the region, but also what makes Doylestown - and Bucks County - an amazing destination to live, work, and visit 365 days a year. We invite you to meet our talented artists, to enjoy the musical performances, and to engage in a range of art activities. We also hope you will spend some time getting to know our town - the local shops, the vibrant eateries, our museums and galleries. Doylestown is a special place and we are thrilled to share it with you all.

On a final note, it is with immense pride that we continue to ensure the festival remains free to the public. Street festivals allow us to reduce the barriers to entry so that art can be experienced by all who wish to see it and enjoy it. This is how we build community.

We hope you enjoy the festival!

Your neighbors,
Paul & Kris Boger, Volunteer Directors
