Message from the Directors

Welcome to the 35th annual Doylestown Arts Festival!

In 1991 the Doylestown Arts Festival was founded by a small volunteer group of residents and business owners with a passion for the arts and a vision for an ongoing tradition that celebrates creativity and brings the community together. 35 years later we are proud to continue that tradition and to welcome you all to our town.

Over the years, the festival has certainly evolved and grown. It now spans a large portion of historic downtown Doylestown and features over 170 artists, 5 stages with more than 40 performers, a variety of activities and art demonstrations, as well as many of our local museums and arts organizations.

Each year we are blown away by the incredible artists and musicians who share their talents with us. We are inspired by the many businesses, volunteers, and local organizations who step up and contribute to the festival's ongoing success. And when the weekend comes around, we are grateful to all of you who come out to show your support and enjoy the festival and our beautiful town.

This weekend is a gift to our local community made possible by the efforts of over 100 volunteers, generous support from our sponsors, and careful collaboration with our local government, businesses, and residents. One of the reasons Doylestown is a great place to live and visit is the strong sense of community that allows events like the Doylestown Arts Festival to thrive.

We invite you to explore our streets, discover something new, and make memories alongside neighbors and visitors. Thank you for choosing to spend your weekend at the Doylestown Arts Festival and helping us celebrate this milestone anniversary.

With gratitude,

Paul & Kris Boger
